

Exceptional Kids

February 2011

This month I have a few fantastic gems for you that I gathered at the Illinois Association of Gifted Children (IAGC) conference. It was a pleasure and honor to be one of the presenters again this year. If you have not had the opportunity to attend this conference, I highly recommend it – mark your calendars for February 5 through 7, 2012. Also, my website has been updated with my latest IAGC journal publication and continues to archive previous newsletters.

An 'Exceptional' Quote

"Education is a social process. Education is growth. Education is, not a preparation for life; education is life itself."

John Dewey
