

Exceptional Kids

January 2011

To read or not to read; that is the question. We often face this dilemma when choosing books for our advanced, yet young readers. Is the content appropriate? There are many fantastic books out there to entertain children with vivid imaginations without parents worrying about language, fear, or mature situations.

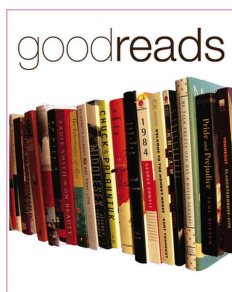

An 'Exceptional' Quote

"Make it a rule never to give a child a book
you would not read yourself."

George Bernard Shaw
